## ABOUT US

Cigmatec Building Contracting LLC. (CBC) is a leading contracting firm in United Arab Emirates with offices presence at Dubai & Abu Dhabi. Since its modest beginning, the company has grown in strength and has diversified its activities in the field of Industrial Construction. We have network of experienced associates in the field of Turnkey solution including Civil, Structural Steel, Cladding, MEP and HVAC as per requirement.

CBC LLC exquisitely caters to the needs of Industrial & commercial sectors. We have the proficiency to co-ordinate a project from its inception through proper execution and monitoring along with control till the completion of the same.

### MISSION

To provide our customers with valued Construction solutions within the allotted Time & Budget by using our expertise in Engineering, Procurement and Construction management of projects and thus to exceed our Customers satisfaction.

### VISION

To become a leader and role model in Industrial Construction with the Land of Innovation and great opportunity. We continuously strive to provide a high level of value and customer service to our clients throughout UAE.

## OUR PROMISE

**Our Promise is to exceed our Customer's/Client's expectations.**

We are constantly working towards improving the quality of work we provide and enhancing customer experiences. We keep this promise by transforming the below bullets into action.

- ❖ Sharing our ideas and experiences with customers to achieve a “Value for Money” solution for the projects and to improve customer satisfaction.
- ❖ Adopts a disciplined and consistent approach each time we take on projects... regardless of size or scale
- ❖ Timely completion within the Approved Budget without compromising the quality standards.
- ❖ Once a project is being completed, we used to conduct a survey to know Client's satisfaction level and / or any other opinion/suggestion for further improvement.
- ❖ To provide a steadfast commitment to safety, quality, value and client satisfaction in every project we do.
- ❖ Equip our employees with the most advanced tools and train them to boost up their abilities.

## Health Safety & Environment Policy

CIGMATEC BUILDING CONTRACTING L.L.C. is committed to achieving excellence in Environment Health Safety and Environment (HSE) performance and demonstrating leadership carry out our activities in a safe and environmentally responsible manner.

- The General Manager has overall responsibility for HSE matters, its effective administration, implementation, Strategic direction and performance monitoring.
- Commitment to meeting or exceeding all relevant legal and other requirements and monitoring compliance through periodic assessment.
- Robust HR selection & training systems to ensure that all persons working for or on behalf of the company are competent to fulfill their HSE responsibilities.
- Promotion of the efficient use of energy and resources.
- Selection of competent contractors who commit to comply with our HSE policy & standards.
- CIGMATEC BUILDING CONTRACTING employees at all levels have a personal responsibility to take due care and follow HSE requirements. Fulfilling these responsibilities is an employment obligation. The company conducts its business in accordance with the following key HSE principles which will be supported by effective management systems
- Continual improvement in HSE performance, including prevention of pollution, hazard identification & risk control.
- Establishing a safety culture in which people are encouraged to report incidents, Near-misses, and rewarded.
- Clearly defined objectives and targets which are periodically reviewed.
- Communication with all persons working for or on behalf of the company and other stakeholders regarding the HSE impacts and objectives of its operations.

This policy will be reviewed as and when required.

**General Manager**  
**Date:01/01/2024**

## QUALITY ASSURANCE

We are committed to comply with all regulatory and statutory requirements and develop employees to utilize capabilities to the full extent by fostering a spirit of innovation with empowerment.

CBC LLC is committed to continual improvement in all aspects of Quality management systems to provide our service assurance backed by Quality Standards at each step, in order to achieve customer satisfaction and keep up with our long years of trust and confidence.

To execute all the services in a highly professional way without compromising quality or customer satisfaction.
